You can get real time status updates on NEU Shuttles with Tripshot!

It works just like the bus routes tab on Google Maps. Follow these steps to join!

PART 1: SETUP

The image is a composite of five screenshots from the TripShot app setup process. The first screenshot shows the app's App Store page with a purple icon, a 4.5-star rating from 551 reviews, over 100K downloads, and an 'Install' button. The second screenshot is the 'Login' screen, featuring a 'Log in with TripShot' button and a 'Sign up' button, which is highlighted with a red rectangular box. The third screenshot is the 'Setup' screen, where 'Service Name' is entered as 'Northeastern University Oakland' and a 'Next' button is visible. The fourth screenshot is the 'Signup' screen, where 'Email Address' is entered as 'yourname@northeastern.edu' and a 'Next' button is visible. Below the email field, a message states: 'A message has been sent to yourname@northeastern.edu. Please follow the instructions in the message to complete the signup process.' and a 'Proceed to login' button is at the bottom. The fifth screenshot is the 'Signup with TripShot' screen, showing a green 'Verify Email' button and a note that the link is valid for 2 hours.

1. Download Tripshot from the App Store.
